NEWPORT DAILY NEWS.

In publishing the subjoined document, we wish to inform our readers that the copy was furnished us by several gentlemen who are interested therein, and we have inserted it, verbatim: as to the action of the church, on the Report of the delegation, we will also state that we received that from the same gentlemen, and it does not purport to be an official document from the Church, as it is not attested by any of its officers.

REPORT.

At the Annual Meeting of the Warren Baptist Association, held at Pawtucket, September 9th and 10th, 18th, the Protest of N. H. Langley, and sixty others, members in good standing in the Second Baptist Church, in Newport, was presented against the Discipline of said Church, by which a number of members were dropped; whereupon the Association appointed a delegation of six persons, and recommended to the Church, and to all the aggrieved members, to refer all questions in dispute to said delegation, for final and full adjustment. The Delegation met and heard the parties, and on the 3d of October, made the following Report:

"The delegation appointed by the Warren Baptist Association, to meet with the Second Baptist Church in Newport, and all the aggrieved members of said Church, were recommended by the Association to refer all difficulties, and questions of dispute between the said church and the said members of the church, growing out of the acts of the church, in discipline or otherwise, for final and full adjustment, respectfully present to the parties concerned, the following

REPORT.

"The Delegation have felt themselves to be required to govern their conduct by the instructions of the Association, in order that they might make such a decision in the case, as will, when adopted by said parties, result in the full and final adjustment of all these difficulties and questions in dispute. The church and the aggrieved members having signified their acquiescence in the recommendation of the Association, the Delegation have endeavored to perform their duty, according to the terms of their appointment.

"The committee of the church having requested the delegates to settle certain fundamental principles, state that they respectfully require of said delegation, distinct and positive answers, in writing, to the following enquiries; such as they will be prepared to hold themselves responsible for before the religious world, namely:

"I. Are the members of our churches at liberty to abandon their worship and communion at pleasure, and for any length of time they please, without subjecting themselves to discipline?"

"II. Has the church, in relation to these members lately dropped from us, who have brought up their case before the Association, acted inconsistently with the principles of well regulated churches of our order, or with undue severity?"

"In reply to the first inquiry, the delegation have no hesitation in answering in the negative. They consider that the very nature of a church covenant implies that all the constituent members of a church are equally pledged and bound to maintain the worship, ordinances, and order of the church; and any exemption from these duties, in favor of one member, cannot be allowed, without invalidating the foundation of all church authority, and no member ought to abandon these duties at pleasure, or for any length of time, without subjecting himself to discipline. This discipline, as practiced by Baptist churches generally, is divided into two classes—the formative, and the corrective.

"The formative relates to the manner by which disciples are educated and trained in the church, as pupils in a school, or as children in a family.

"The corrective, relates to the means by which they are admonished of their faults, and instructed in their duties, and brought back from error; and generally to the use of those measures which the gospel prescribes, for the recovery of the penitent, or for the exclusion of the flagrant and incorrigible offenders.

"In reply to the second enquiry, the delegation are unable to say whether the church has 'acted inconsistently with the principles of well regulated churches of our order, or with undue severity in relation to these members lately dropped from them,' until they can review the History of the case, and

ascertain the causes for which these members were dropped. The course of investigation required in this review, involves the history of the discipline exercised by the church towards its dropped and aggrieved members; but the dropped and aggrieved members having made a complaint to the Warren Baptist Association, are one of the parties to whom this delegation is sent; and therefore, in reviewing the discipline of the church, the second enquiry proposed by its committee, cannot be fully answered, without considering the ground of grievance submitted by said members. These dropped and aggrieved members, in a communication submitted by them to the delegation, state the following as the ground of their grievance, which will be reviewed and decided upon, in the order in which they are stated. They state

"1st. That our grievances commenced with the discipline of the church, against deacon S. Bell, and G. C. Shaw, in 1812; and the refusal of the church and its members, to adopt the proposed means for the investigation and settlement thereof; and with the subsequent discipline against deacon N. Sweet, W. S. Cranston, J. M. Sherman, Jonathan Bailey, J. T. Tilley, J. L. Hazard, W. Wilson, Martha West, Judith West, Betsey Stevens, Cynthia C. Wilson, Phoebe Ann Cranston, Mary Ann Hazard, Hannah Coddington, Eliza M. Boone, Mary R. Bigley, Francis Hazard, and Hannah W. Steadman."

"We respectfully ask that the above cases be examined separately and fully, and that said individuals be heard in their defence, personally, or by their agent."

"The delegation having fully and patiently examined the evidence in the above named cases, respectfully

REPORT:

"First.—That though they cannot approve of the mode by which Messrs. Bell and Shaw were excluded, nevertheless, as those brethren refused to be restored to the church, and subsequently become members of a church of another faith and order, they cannot now, consistently, claim membership in this church, without making application in the manner usual with regular Baptist churches in such cases. The delegation are therefore of the opinion that if Messrs. Bell and Shaw should subsequently desire to be received into the fellowship of this church, the church may consistently receive them into its membership, by the presentation of the certificates of their existing membership, with the distinct understanding, on their part, and on the part of the church, that the entire history of their case is not to be subject to review; and that they signify their acquiescence in the present views of the church, in relation to christian doctrines and ordinances.

"Second.—In the review of the evidence in the case of deacon Nathaniel Sweet, the delegation express an opinion, that in the course which he pursued, he was conscientiously acting for the best welfare of the church, and therefore he should not have been subjected to the severe and positive treatment which he received, in the course of discipline which the church took in his case; but still, considering the peculiarly excited state of feeling, growing out of the existing difficulties in the church, it is not surprising that his measures were not altogether the most judicious and commendable.

"Third.—In the review of the evidence in the case of Wm. S. Cranston, the delegation are of the opinion, that his determination to withdraw from the Church, because they would not adopt his suggestion with regard to the appointment of a committee, in the case of Messrs. Bell and Shaw, after they had stated to the Church that they would not avail themselves of the act of the church, in rescinding the vote by which they were excluded, was highly improper and unjustifiable; nevertheless, in view of the excited state of feeling in the meeting when this determination was taken, the delegation

"Recommend.—That upon his expressing a desire to obtain his former standing in the church, and by acquiescing in the present doctrines and ordinances of the church, he be received into their fellowship; and this acquiescence shall be considered a final settlement of all difficulties between them.

"Fourth.—In the review of the evidence in the case of Jonathan Bailey, and John T. Tilley, the delegation

"Recommend.—That as there appears to have been a misunderstanding between the church and them, as to the object for which they received a certificate of membership, November 30th, 1813,

"The motion made by me was, 'That a committee be appointed to enquire into the difficulties, and report the best means to restore peace and harmony in the church.' W. S. C.

they should be received into the fellowship of the church, by their returning said certificates, and by signifying their acquiescence in the present doctrines and ordinances of the church.

"Fifth.—In the review of the case of James L. Hazard, the delegation

"Recommend.—That as some time has elapsed since his offence, and as the action of the church in his exclusion, without previous dealings, was summary; the church should favorably reconsider his case, with a view to his restoration to membership.

"Sixth.—In the review of the evidence in the case of James M. Sherman, it appears that he had previously requested to be dropped from membership, on account of his acknowledged want of interest in religion; and was subsequently excluded, for his action in closing the house against the church; the delegation, however

"Recommend.—That upon his satisfactory manifestation of an interest in religion, his case be favorably reconsidered by the church, with a view to his restoration to membership.

"Seventh.—In view of the evidence in the case of Mary M. Bigley, the delegation

"Recommend.—That the church take her case entirely into their own hands, and decide according to the evidence that may be produced.

"Eighth.—In the review of the evidence in the case of the following aggrieved members, whose names were dropped, July 23d 1816, viz.: William Wilson, Hannah Coddington, Betsey Stevens, Cynthia C. Wilson, Eliza M. Boone, Martha West, Judith West, Mary Ann Hazard, Hannah W. Steadman, Phoebe Ann Cranston, and Ruth F. Callahan, the delegation are of the opinion that although they had serious cause of complaint, it was nevertheless their duty to have continued in their places, in the worship and communion of the Church; but, inasmuch as they felt themselves, in view of the peculiar circumstances of the case, under the necessity of leaving the meetings and communion of the Church much against their professed wishes, the delegation therefore

"Recommend.—That they concede to the Church the right and duty to care for, and look after all members taking such a course of conduct, and that the church receive such concession, and restore said members to the fellowship of the church, and that such action, be a final settlement of the case.

"In a general review of the grounds of grievance contained in this first class of charges, presented by the aggrieved members, the delegation recommend to all the parties concerned, to adopt the following

"Resolution.—That all the difficulties and questions in dispute, not otherwise provided for in this report, now existing between the church and those members who were aggrieved, on account of the acts of the church, in discipline, and, otherwise, since June 2d, 1812, up to the present time, be considered by all the parties concerned, as finally and fully settled, and therefore not subject to any further examination at any subsequent period; those cases being excepted, which are specifically named and commended in the foregoing report to the further examination and adjudication of the church.

"The aggrieved members state,

"2d. That the order of the Church has been infringed upon, by restricting the usual Church meetings, and by the appointment of a large Deacon's committee, of almost unlimited powers, exercised in secret meetings, subversive of the rights of individual members.

"The delegation having fully and carefully examined the evidence adduced in support of the above named charges, respectfully

"Report.—That in the opinion of the delegation, the church, in making, at that time, and under such circumstances, the changes in the times of holding the church meetings, and making so large an increase of the number of the deacon's committee, as well as in the extraordinary powers which the Church delegated to the committee, gave ground of dissatisfaction to the aggrieved members. The delegation would therefore

"Recommend.—That the regular meetings of the church for business, be held monthly, (instead of quarterly,) according to the former practice of this church, and the usual practice of Baptist Churches generally. Also, that the duties of the deacon's committee, (or as the delegation would suggest, that it hereafter be called, the standing committee,) be carefully revised by the Church.

"The aggrieved members state,

"3d. That the pertinacious adherence to Mr. Leaver, as Pastor, against the wishes of a large number of the church, and a majority of the society, compelled many church members and others, to leave this congregation, and seek more acceptable

instruction, in other places during his ministrations.

"The delegation have fully and patiently examined the evidence adduced in support of the above mentioned charge, and respectfully

REPORT:

"That the delegation are of the opinion, that if the late pastor of the church, had held correct views of the doctrines and government of the church, as held by the Baptist Churches of the Warren Association, and had he exercised a judicious and conciliatory spirit, many of the difficulties which have existed in the church, might have been avoided. And the delegation deeply regret that the church should have deemed it their duty, under all the circumstances, to continue him so long in the pastoral office.

"The delegation, upon a general review of the matters under examination, think it is but just and proper to state, that, in their opinion, the active and prominent part, taken by Brother D. C. Denham, in the difficulties of the church, is to be attributed to his official position as Clerk of the church, and as a member of the deacon's committee, and not, to any disposition manifested on his part, to interfere improperly in the affairs of the church.

"The delegation are of the opinion, that the influence of a permanent and judicious Pastor, is highly important to the harmony and usefulness of the church, and would therefore recommend to them to appoint a committee, to act with a corresponding committee of the Corporation, with instructions to secure, as soon as possible, the services of such a Pastor: and that all the members unite with him, in prayerful labor for the salvation of souls and the glory of God.

"Resolved.—That when this delegation adjourn, they adjourn subject to the call of the chairman, at any time during the present Association year.

"Resolved.—That the Chairman and Secretary, be a committee to prepare faithful copies of the foregoing Report, to be presented by them, to the church, and aggrieved members, respectively

ACTION OF THE CHURCH THEREON.

A special Church meeting, to hear the Report of the Delegation was called October 5th, (being

twelve days after it was made to them; said Report was then read, and immediately referred to the deacon's committee. The meeting adjourned for a fortnight.

Adjourned Church meeting Oct. 29th.
The Deacon's committee made a report agreeing in part, to the recommendation of the Delegation which was adopted by the Church.

A motion was then made, that the Report of the Delegation be adopted, in all its parts, by this Church, and that it be recorded. This produced a disorderly debate nearly two hours, and the motion being about to be put, a motion was made that the whole subject be indefinitely postponed, which was passed, and the meeting adjourned without date.

Note.—The number of male members present, was about 24, of which number about 14 were members of the Deacon's committee.

NEWPORT DAILY NEWS.

WANTED.

IMMEDIATELY, at this Office, a lad, about 17 years of age, to learn the Printing business; none need apply unless they can come well recommended and are of good moral character, correct habits, steady and attentive to business, and who will be faithful to the interest of their employer. A lad of this description can find an excellent situation at the News Office. We want one who has been thoroughly reared, and is entirely free from the little indulgences of the nursery. Nov 1

—We have placed new carriers, for our regular subscriber's papers, on the different routes, and it is probable that there may be some irregularities for a few days. If any do not receive their papers regularly, we will thank them to leave word at this office.

LATER FROM MEXICO.—The Picayune of the 22d instant, has Mexican papers down to the 20th September.

The Mexicans were very bitter against the United States. On the 9th of September, General Othon, Governor of San Luis Potosi, issued an address to the inhabitants of that State, announcing that our troops had taken possession of the capital of New Mexico. The dangers of the country, he tells them, are each day increasing.

The Mexicans appear perplexed, not knowing what to think of Armijo's conduct. They watch all Kearney's movements with intense interest, but are puzzled to know what he intends to do next.

The Picayune promises in its next number an interesting account of the siege of Monterey, prepared by Basil Peyton, who was a very efficient participant in the fight.

The U. S. Treasury.—The whole sum subject to draft in all the depositories, says the correspondent of the Journal of Commerce, is three millions and a half of dollars. The disbursements during the last month, have exceeded by eight hundred thousand dollars, the amount of all the receipts of the Treasury. The sum now in the Sub-Treasury in Washington, is fifty thousand dollars.

A \$15,000 Libel Suit.—Mr. Bloss, Whig candidate for Assembly in Rochester, N. Y. could not stand the fire of the Rochester Advertiser, and so has instituted a suit for libel against that paper, paying his damages at \$15,000!

—It is rumored, says the Louisville Courier, that a new daily paper is about to be started in the city of New York, and that it will advocate the nomination of John McLean for President, and W. P. Mangum, for Vice President.

HINT TO WORKING CLASSES.—If a man 21 years of age, begin to save one dollar per week and put it to interest every year he would have at 31 years of age, \$650; at 42 years of age, \$1,680; at 60 years of age, \$1,920.

Resolution directing the committee on the judiciary to inquire into the expediency of increasing the number of drawn jurors in each town, to avoid the necessity of venire men.

—Mr. F. Brown, Dear Sir: I am much gratified in having an opportunity to announce to you, that, by the use of three bottles of your Sarsaparilla and Tonic Bitters, I have been, from a stage of general debility and decline, and continual suffering, restored to the enjoyment of good health.—For a number of years I have been troubled with the Liver Complaint, so badly at times, as to prevent my attending to business, and Dyspepsia followed, with loss of appetite, weakness and debility and a sinking and oppressive sensation at the stomach most painful and distressing, which gradually decreased my strength, and led me into a decline, and debilitated me so much as to occasion tears for my recovery; while in this situation I was induced by the persuasion of a friend, to make a trial of your Bitters, and was most happily disappointed in finding an immediate relief; and before I had taken the contents of the first bottle, I had obtained a comfortable state of health, and before I had used three bottles, I enjoyed better health than for a number of years. This was about two years since, and my health has continued good till the present year. I must say that I have not much confidence in patent medicines, but I am satisfied, from the wonderful effects of your Bitters in my own case, and of friends whom I have induced to use it, that it is a valuable medicine, and I take much pleasure in recommending it to my friends and acquaintances, and indeed to all who are thus afflicted, as well worthy a trial. I remain yours, Oct 23 2w PELEG SPRAGUE.

New and More Testimony.
WARREN, August 22, 1846.
Dr. Boardman.—Dear Sir:—Now being about leaving for home, I am able to give thus far a favorable account of the Laxative which I have worn only four days. For more than four years I have suffered greatly from dyspepsia, that scourge of our race. My food has always been so troublesome that my stomach would reject it almost every day—my bowels always constipated—my head always feeling heavy and unpleasant, and my spirits greatly depressed. I was unfitted for any regular business, and till I saw you, I had given up the hope of ever being better. I had consulted many physicians and in Boston, those the most celebrated, and spent nearly all the money I could earn, upon them and medicines. Since I have worn the Laxative, all these symptoms have in a great degree vanished, and now, it seems to me, I shall be well again. I find my body regaining its erect position—the spitting up my food is pretty much over, my spirits and energy are returning, and I feel like a new man. Sept 4. S. W. HILL.

LORRAINE'S PILLS.
All persons require Pills.

DR. LORRAINE'S CURATIVE SYSTEM
 OF MEDICINE is rapidly producing achievements
 never before known in the cure of diseases. The
 immensity of its wonderful results, alone demon-
 strate that its principles must be founded on truth.
 The relative proportion of Cures by this Medicine
 is out of all proportion greater, than by any other
 Medicine known.

THE THEORY is, that one blood heats in the
 bosom, and flows through the body of every man,
 and must be pure, it is the Vital Principle that sus-
 tains life.

Physicians, and people of every class are willing
 to come forward and announce, in the most public
 manner that they have been cured of long standing
 complaints—after another medicine had failed.
 In act there can be no doubt but that Lorraine's
 vegetable Pill is the best medicine ever offered to
 the public.

See a few public statements of men of truth and
 virtue.

Lynn, Dec. 17th, 1813.

Sir: I have sold all the pills I last had of you,
 please send another lot immediately. The sale of
 Lorraine's vegetable Pills is rapidly on the increase,
 they are becoming very popular. I sell more and
 more every day. As a curative medicine and pu-
 rifier of the blood. I think they stand unrivalled.
 One fact I have noticed, that no one that has used
 them finds any fault with them; they have wrought
 some very great cures. One lady, who has been
 confined to the house and bed, a great part of the
 time, for twenty years, is now cured and able to
 work most of her time, after having taken 3 boxes
 only of Lorraine's Pills! I might name many
 other cases where the cures have been as great,
 but have not time.
 Yours respectfully,
J. E. P. MARSH.
Portland, Me., Nov. 7th, 1813.

Sir: Please send us one gross of Lorraine's
 Pills, we have sold all we had last. They have
 given very good satisfaction, better than any other
 pills which we have in our market. I think in
 a short time they will take the place of others.
 We have had no fault found with them whatever;
 but, on the contrary, they have been praised loudly.
 I think we could have quite a number of highly
 respectable certificates from our citizens.
 Yours respectfully,
E. MASON.
Chelsea, Jan. 3d, 1814.

Sir: I transmit to you an account of my case
 for publication, believing it to be my duty. I
 have been confined with the Rheumatism nearly
 the whole winter, have had some of the best phy-
 sicians of Boston and could get nothing that would
 relieve me more than temporarily. I heard of the
 wonderful virtue of Lorraine's Pills, I had no faith
 whatever, but I took them, and it is a solemn fact
 that when I had taken but eight pills my Rheu-
 matism had entirely left me, and I have remained
 well ever since.

N. B. I never took more than one pill at a
 time and that on going to bed.

Yours respectfully,
W. M. HALSTAD.
OPINION OF A SKILLFUL PHYSICIAN.

Sir, the operation of Lorraine's Pills is past any
 philosophy to find out, how so small a Pill can
 produce such wonderful effects. I find that one
 of them will operate more than 3 or 4 of any other
 Pill, yet in their operation, mild, gentle and com-
 forting. On this account, they are more than 100
 per cent, cheaper, as physis, than any other Med-
 icine I know of.

These Pills are now acknowledged by thousands
 who take them daily, to be the only medicine that
 fairly takes the Banner from all others. This ex-
 traordinary medicine has actually done wonders
 within one year past. They cause no pain or un-
 easiness of any kind in their operation, and require
 neither change of diet or care of any kind.

The attention of the reader is respectfully called
 to the important results from the use of these Pills.
 It will be seen, however great achievements have
 heretofore been made by the use of this invaluable
 medicine, still greater and more remarkable cures
 daily happen.

CLOTHING. CLOTHING.
*Large enough for the largest man; and small
 enough for the smallest boy.*
 We warrant none a perfect fit.
 That's not the most successful hit?
 For with their matchlessness of cut,
 For mere celebrity we've got;
 Small gain on one alone we reap,
 But here's our motto—"we sell cheap."

At the great
OREGON CLOTHING WARE HOUSE,
Corner of Thames & Franklin Streets.
 May be seen the largest and most splendid as-
 sortment of Ready Made Clothing ever offered in the
 town of Newport, at prices which cannot fail to
 suit, and a little superior and cheaper, than at any
 other similar establishment in the town. These
 goods cannot be surpassed, if equaled, for neatness,
 taste, elegance, and durability. This well selected
 stock was bought on the cash system, and can and
 will be sold cheap. Come now all ye, while the
 doors are open unto you, and be clothed from the
 crown of your head to the sole of your feet.

Among the above named articles may be found
 Cloaks,

Which dignify the human form—
 As beautiful as they are warm.

Pilot Coats:
 They cost mere nothing, and so stout,
 It takes you years to wear them out.

Beaver and Broadcloths.
 They seem forever fresh and bright,
 And give the wearer great delight.

Dress Coats,
 Cut, pressed, and made in tasty manner—
 They win the envy of the scannor.

Pantaloon.
 Fine stitches, tightly drawn, and strong—
 The reason why they last so long.

Vests and Scarfs.
 There's nothing can adorn the breast
 So well as can a handsome Vest,
 But what's a Vest without a Scarf?
 It's like a smile without a laugh;
 It loses half of its expression.

No man should think of such aggression.
 Also may be found Collars, Bosoms, Shirts,
 Hamkerchiefs, Gloves, Suspenders, Hats, Caps,
 Boots, Shoes, and all other articles generally worn
 by the Male part of the community. Don't forget
 the Oregon Clothing Ware House corner of Thames
 and Franklin Streets.

**Bogle's Hyperion Fluid, Or Vegetable Hair
 Composition.**

THE subscriber has been induced to bring this
 article before the public, at the request of his nu-
 merous customers, among whom are physicians
 and citizens of the first respectability, who have
 adopted its use in their families, and wish others to
 participate in its advantages.

The Hyperion is composed of vegetable ingredi-
 ents, the secret of compounding and blending which
 is known solely to the subscriber. It is an arti-
 cle in which a cleansing and purifying wash is
 beautifully blended with a most delicate, silky and
 glossy moisture never before attained, yet free of
 animal grease or essential oils. It clears the pores
 of the skin, causes a healthy action in the blood
 vessels, nerves, &c., which feed the hair, thereby
 preventing BALDNESS AND GREY HAIR.

It entirely frees the skin from Scurf, Dandruff,
 and other cutaneous diseases, disposes the hair to
 curl, and changes the hardest hair into the most
 soft, glossy, and healthy state, also imparts to it a
 darker color, and the free use of it, both on the
 skin and hair, in a most healthy and luxuriant
 state until the latest period of life.

Ladies will find the Hyperion a great addition to
 the toilet, both on account of its delicate and agree-
 able perfume, and the great facilities it affords in
 dressing the hair, which, when moist with the fluid,
 can be dressed in any required form, so as to
 preserve its place, whether plain or in curls.—
 When used on children's heads, it lays the founda-
 tion of a good head of hair.

TO THE AFFLICTED

DR. BANNING'S PATENT LACE
An immediate Relief to Incipient Consumption, the Bronchitis of Public Speakers, Palpitation of the heart, Dyspepsia, Spinal Weakness, Piles, Protrusion, and Diseases of Women, without Medicines.

THIS instrument has been examined by Dr. Moit, Rodgers, Francis, and Grison of New York; the faculty of Pittsburgh, Hartford, New Haven and Middletown, and has obtained for itself their favorable testimony. The following will show what kind of testimony might be produced in many cases:

Middletown, June, 25th, 1843.

Dr. Boardman.
Sir.—In answer to your inquiry respecting my case, I will merely say, that I have been sick since I strained my breast and lungs in May, 1836, from that time continued to grow worse, when in the fall of '39, I abandoned business, and have not done any thing since. I suppose from all I could learn about my case—frequently raising blood, coughing very hard and expectorating profusely, deriving no benefit from my physicians, and all medicines recommended to me; that my case was hopeless. Last winter my brother told me he had heard a good account of Dr. Banning's Lace in such cases, and was anxious that I should try it; accordingly I procured one from you, and since I began to wear it, my breathing, which was very short and laborious, has become easy and natural; the pain and fluttering or palpitation of the heart has subsided; cough and expectoration greatly lessened, my limbs which were exceedingly painful have become useful, so that I can walk comfortably. I am able to shave myself with comfort, which for many years I have not been able to do. The pills, which have troubled me for nine years, are nearly eradicated. I work some in the garden, and am able to ride 4 miles at once with pleasure and benefit. Yours, &c. **WM. RANNEY.**
Dr. G. M. Boardman.

Middletown, June 25, 1843.

Dr. Boardman.
Dear Sir.—In answer to your inquiries respecting the effect of Dr. Banning's Lace in the case of my wife, I will state that for twenty years past, she has been afflicted with a complication of complaints to which females are subject. She has tried all the physicians and all the medicines recommended for such complaints, without regard to expense, and found only temporary relief. Her most distressing complaints, palpitation of the heart, oppression and a sense of great weight at the pit of the stomach, prolapsus of the womb, &c., were believed after wearing the lace two hours, and she has continued to improve daily. With this view of the case I cannot use language strong enough to convey my approval of the instrument. **STEPHEN BARROWS, JR.**
Providence, Feb. 26, 1846.

Doctor Boardman.—Dear Sir—I now take my pen to inform you that my wife's health has improved very fast for the last two weeks from wearing one of your Laces. She has been out of health about two years and has worn a different Supporter from yours, which had only two pads. She received some benefit from that—but it would not produce a cure. But now I can say with pleasure that she is as smart as any of the young girls in the neighborhood. She can now run up and down stairs as fast as I can, and I feel so well pleased with it that I hardly know how or what to write. But one thing I do now, that she has been under the care of seven Doctors in one year—and wearing your Lace two weeks has or will do the cure in a very short time. I want to write more, but I have no time. I am truly, your friend and well wisher.

Doctor Boardman, proprietor of Bannings celebrated Patent Body Brace, for this state, has taken rooms at No. 8, Broad street, where he may be consulted, free of charge. He is enabled to treat, successfully, cases of Rheumatism, Neuralgia, Headaches, Deafness, loss of Voice, Bronchitis, Weakness and curvatures of the spine, and chronic diseases generally. He is enabled to refer to numerous cases in Providence, and this town. Aug 28

PEACH, Rose, and Orange Flower Water, in large or small quantities, at **R. J. TAYLOR'S**. June 30.

From the Brooklyn Daily Advertiser.

A BEAUTIFUL YOUNG LADY residing in W. street in this city, has received great and unexpected benefit from the use of that excellent specific **RADWAY'S CHINESE MEDICATED SOAP**. Some few weeks since she was on a visit to some of her relatives in South New Jersey, where she was very severely bitten by mosquitoes, being at the same time very much exposed to the scorching rays of the Sun, she experienced great pain, and irritation from the effects of the mosquito, and much annoyance from the unnatural darkness of her tanned complexion. We recommended her to use that excellent Medicated Compound, **RADWAY'S CHINESE MEDICATED SOAP**, she complied with our request, and in three days there was not a single spot, blotch, pimple or blotch left upon her skin, and her complexion is now as fair as the Lily.

Ladies, secure without delay a cake of this inestimable Soap, it will purify your skin, improve your complexion and remove all disfigurements entirely from the surface of your system. Price 12-12 cents per cake. Sold in Newport by **R. J. TAYLOR**, Agent. Aug 7

R. R. HAZARD,
Sign of the Golden Mortar, near the Court House. May 8

IT is now about ten years since this medicine has been introduced to the public, and it stands unrivalled in its effects, bearing the test of the severe scrutiny of all classes, both friendly and unfriendly. It is but for one purpose—for the use of Mothers who have to pass through a sea of affliction in giving birth to mankind, not to be described. It is to you we make an appeal. It is for your especial and general good that you should make use of one bottle of the **MOTHER'S RELIEF** before confinement. Then you can approach the parturient chamber without feeling as if you were going to the chamber of death. You may rest assured it will still all fertile and nervous affection. It soothes and shields from irritation and by its peculiar properties it destroys the cause of hemorrhage or inflammation that so often attend and follow the hour of parturition. It causes sweet and natural rest, and at last facilitates the birth, so that Mothers have not to pass through such excruciating pain and distress. The Mother's Relief may be depended upon in all cases of threatening abortion where it is possible to be prevented in cases of Spasms, &c., causing frequent alarm, from two to three doses will give immediate relief.

As the subject is one that cannot with propriety be fully discussed in this public manner, we invite all who feel interested to call on our agents (most of the respectable Druggists in the United States,) or on the manufacturer, and they will be furnished with a pamphlet in which they will find all the facts to form a correct opinion of its merits, and also the opinions of many physicians of eminence, and of persons who have become acquainted with its beneficial effects.

CAUTION TO PURCHASERS.—Ask for **BARTHOLOMEW'S Mother's Relief**. None is genuine unless our signatures are found within the wreath of the direction that is pasted on the bottle, signed with our own hand, and over the neck of the bottle is a fac simile of our own hand writing also. By attending to the above directions, no one need be imposed upon. All orders will be promptly attended to. **DR. G. A. BARTHOLOMEW,**

RE-OPENING OF THE UNITED STATES CLOTHING STORE.

A still greater revolution in the sale of **READY MADE CLOTHING**, New Store and new Goods, at the old stand, where the public have been favored with so many good bargains. 91 Thames street, one door north of Messrs. W. B. & E. J. wa n's.

THE PROPRIETOR of this Establishment has the pleasure of informing the people of Newport and its vicinity, that he has leased the new and commodious store, 91 Thames street, for the purpose of carrying on the Ready Made Clothing Business, where the public may be assured that they will always find on hand the largest assortment of Clothing and Furnishing Goods in the place, as well as the lowest prices. If I can but induce the people to call upon me, I will give them the most positive proof of the truth of this assertion, as I am determined to secure for the United States Clothing Store a tremendous run of custom, and, aware as I am, that competition is so severe, that the only mode of success is to offer my Goods at a small advance on Cost. Will the people call upon me? I will give them the most positive and pleasing evidence of what I say; still more, I will not urge them with undue persuasion to purchase what they do not want. The custom of forcing goods upon people has become so prevalent that they are sorely perplexed to know where they can go and be allowed the use of their own judgment in selection of Goods. Once more I beseech of you to call and examine my stock of Clothing and Furnishing Goods, before purchasing elsewhere, which consists of a large and good assortment of **FROCK** and **DRESS COATS**, of a variety of styles and colors; also, a large quantity of **TWEED FROCK** and **SACK COATS**; 2 or 3 dozen of the **GOLD MIXED TWEED**, a most beautiful article for summer, Kentucky Jeans, and a great variety of other kinds, too numerous to mention.
